

Castro Valley Genealogy Group – August 2, 2018

<http://cacvvg.bdgeorge.com>

Topics Available

- James Tanner Rules of Genealogy
<http://genealogysstar.blogspot.com/2018/08/a-new-rule-added-rules-of-genealogy.html>
- To find videos by Lisa Louise Cooke on Genealogy Search Strategies do a google search for “Lisa Louise Cooke Genealogy Search Strategies”
- News for Rootsweb Users – They are coming back. Read about it here: <https://rootsweb.blog> Our web site which used to be <http://rootsweb.com/~cacvvg> may be returning
- <http://Archive.org> out of San Francisco is quite a repository for historical books. Many can be downloaded and searched as PDF documents. It is also the home of the Wayback Machine. We looked for 1996 versions of Bill’s original web site <http://pcc.org>, later taken over (and improved considerably) by his wife, Diane
- <http://familysearch.org> – One of the greatest free genealogy web sites on the internet. May do an intro on it next session. e.
- Some Google Search “Tricks”
Use Date Ranges 1890..1900
Search Web Sites “site:” operand
Not mentioned in class, but quite useful is Google Advanced Search http://www.google.com/advanced_search

Bill George – (Lead the group, Aug 2, 2018).

Notes:
